

RVCC Food Pantry Information

Did you know that food insecurity is significant on RVCC's campus? To combat this issue, RVCC's Food Pantry and Resource Center is a safe, non-judgmental space for students and staff members to receive various kinds of support, including information, food and friendship!

The Resource Center offers quick snacks and beverages to students that do not have access to their own food supply. The Food Pantry is organized like a supermarket in the sense that it houses multiple shelves of non-perishable food items. Students in need are encouraged to come in and "shop" for the items to take home for themselves and their families.

The Food Pantry currently serves, on average, about 300 students and staff members every month, and these numbers to are expected to grow rapidly.

So how can *you* help?
